

# COVID-19 vaccination

## Having your vaccine at Wetherby Health Centre

Please read the following information before your COVID-19 vaccination appointment, remember to wear a face covering (unless you are exempt from wearing one), sanitise your hands on arrival and when leaving, and keep your distance ideally two metres apart where possible.

### Here's what you need to do when you arrive for your vaccine

When you arrive please use the front entrance of the health centre.

### Bringing someone with you to your appointment

If you're bringing someone with you, please ask them to wait in the car or they'll be asked to wait in the practice waiting room if they don't have a car. If you need their assistance, they can go into the practice with you, please ensure they have a face covering (unless they are exempt from wearing one).

### If you have any additional communication needs

If you need an interpreter or any other assistance (the practice premises are accessible for a wheelchair), please call your GP practice.
