<ol style="list-style-type: none"> 1. Introductions and welcome 2. Andrea Vickers 	<p>All</p> <p>Andrea gave an outline of what her job involves. She has wide connections throughout Leeds and sees appointments in Wetherby on Thursdays or if needed in the patient's home. She looks at a patient's social problems and gives them contact and services information. She doesn't recommend anywhere specific, but the patient can choose where to go if they want to. She can also give them a list of activities if that is appropriate.</p> <p>There is a mental health group, set up by patients which is a social meeting once a month on Mondays. We are welcome to go along and join in and they meet at Morrison's café every second Monday of the month from 2-3pm.</p> <p>Mental health could be a subject for the board sometime.</p> <p>Joan came to see if Andrea thought it was feasible for patients to help with Wetherby in Bloom. She explained what was involved. Andrea is willing to add any groups to her list of contacts, but it is up to patients to use the service or not.</p>
<ol style="list-style-type: none"> 3. Minutes of last meeting 	<p>Accepted as correct</p>
<ol style="list-style-type: none"> 4. Surgery update 	<p>Anita was unable to attend the meeting today.</p> <p>For the next agenda</p> <p>Notices and folder, diabetic letter, new ways of attending repeat clinics.</p>

5. PPG Boards	<p>Large board – the next subject will be the journey of a prescription. We have received information from Anita and asked the pharmacy if they had anything to ad. We need to work out a format now, Liz, Sue and Anne will look at this.</p> <p>Small boards- it was decided that there is not enough space on these to add much else and so should be used for notices such as the minutes, dates of meetings, NAPP, direct to the large board etc. Margaret Thompson has kindly offered to do this but could do with help to pin notices up.</p>
6. Dr Hall	Dr Hall retires from the surgery in April. He will, however, be continuing to be involved in GP training.
7. Noticeboards	There has been an email from a patient about all the notices. This has been passed on to Anita. MT also heard a conversation about it in the surgery.
8. Newsletter	The spring newsletter is due and so any items you wish to be considered need to be forwarded to Liz.
AOB	<ul style="list-style-type: none"> • Sue will take photographs for those who want one. • The NHS app is now available to use. • If you have trouble getting onto the NAPP website, please inform Liz • Next meeting – stand at the Town Hall
Next Meeting	<p>27th Feb. 2020 - 4-6pm in the upstairs meeting room Crossley St Surgery</p>
